

II International Conference

The Educational and Social World of a Child

Discourses of Communication, Subjectivity and Cyborgization

Poznan: 26-03-2014

The Department of Elementary Education and Pedagogical Therapy, the Department of Child Psychopathology and the Cyborgization of Education Research Group of the Faculty of Educational Studies of Adam Mickiewicz University have the honor to invite You to participate in the II edition of the international conference: *The Educational and Social World of a Child*, which will take place in Poznan on 26 March 2014 under the patronage of the Dean of the Faculty of Educational Studies of Adam Mickiewicz University in Poznan prof. Zbyszko Melosik.

The success of the first edition, which had the character of an interdisciplinary overview of the dynamic transformations of life of a contemporary child, and which circled the axes of oscillation of current discourses of small child pedagogy, prompted the Department of Elementary Education and Pedagogical Therapy (the organizer of the I edition) to invite the Department of Child Psychopathology and the Cyborgization of Education Research Group to help in organizing the II edition.
